

June 8, 2015 Filing Deadline

1. ***Final Deadline.*** The final deadline for filing all Deepwater Horizon Economic and Property Damages Settlement Program claims is **June 8, 2015**. This deadline does **not** apply to or extend the deadline for filing claims under the Seafood Compensation Program, which deadline has already expired. Claim Forms for filing of all new claims (other than those under the Seafood Compensation Program) must be completed and signed in accordance with Section 4.4.5 of the Settlement Agreement, and submitted to the Settlement Program on or before **June 8, 2015**. If you have already completed a Claim Form but have not yet signed and submitted it to the Settlement Program, you must do so on or before **June 8, 2015**. The following table outlines how to ensure that your completed and signed Claim Form is timely submitted, depending on which method of submission you choose:
