**REPORT BY THE CLAIMS ADMINISTRATOR OF THE DEEPWATER HORIZON
ECONOMIC AND PROPERTY DAMAGES SETTLEMENT AGREEMENT ON THE
STATUS OF CLAIMS REVIEW**

STATUS REPORT NO. 32, DATED APRIL 30, 2015

The Claims Administrator of the Deepwater Horizon Economic and Property Settlement Agreement (Settlement Agreement) submits this Report to inform the Court of the status of the implementation of the Settlement Agreement as of March 31, 2015. The Claims Administrator will provide any other information in addition to this Report as requested by the Court.

I. STATUS OF THE CLAIMS REVIEW PROCESSES AND CLAIM PAYMENTS

A. Claim Submissions.

1. Registration and Claim Forms.

The Claims Administrator opened the Settlement Program with needed functions staffed and operating on June 4, 2012, just over 30 days after the Claims Administrator’s appointment. The Claims Administrator’s Office and Vendors (CAO)¹ have received 239,822 Registration Forms and 299,831 Claim Forms since the Program opened on June 4, 2012, as shown in the Public Statistics for the Deepwater Horizon Economic and Property Damages Settlement (Public Report) attached as Exhibit A. Additionally, claimants have begun, but not fully completed and submitted,

¹ “Claims Administrator’s Office”, as used within this report, refers to the Claims Administrator and, where applicable, Court-Supervised Settlement Program vendors working with and under the Claims Administrator.

17,556 Claim Forms. The Forms are available online, in hard copy, or at Claimant Assistance Centers located throughout the Gulf.

Of the total Claim Forms submitted and the Claim Forms begun but not fully completed and submitted, 7.9% have been filed or are being filed within the Seafood Program, 18.2% have been filed or are being filed within the Individual Economic Loss (IEL) framework, and 38.6% have been filed or are being filed within the Business Economic Loss (BEL) framework (including Start-Up and Failed BEL Claims). *See* Ex. A, Table 2. Deepwater Horizon (DWH) staff at the Claimant Assistance Centers assisted in beginning and/or completing 38,119 of these Claim Forms. *See* Ex. A, Table 3.

On December 8, 2014, the United States Supreme Court declined request for a review of the Fifth Circuit’s rulings upholding the District Court’s Final Approval Order of the Settlement Agreement. Accordingly, the Effective Date of the Settlement Agreement is December 8, 2014, and the final deadline for filing all claims other than those that fall into the Seafood Compensation Program is June 8, 2015.

2. Minors, Incompetents, and Deceased Claimants.

The table below describes the claims filed on behalf of minors, incompetents, and deceased claimants in the Settlement Program.

3. Third Party Claims.

The CAO receives, processes, and pays the claims and/or liens asserted by attorneys, creditors, governmental agencies, or other third parties (Third Party Claims) against the payments to be made by the CAO to eligible claimants under the Settlement Agreement in accordance with Court Approved Procedure Order No. 1 (as entered September 9, 2012, and amended March 11, 2013).

The CAO requires a third party claimant to submit enforcement documentation soon after the initial Third Party Claim assertion. If a Third Party Claim assertion does not contain claimant-identifying information and/or the required enforcement documentation, the CAO sends the third party claimant an Acknowledgment Notice providing the third party claimant 20 days to submit the claimant-identifying information and/or the specified documentation required to support the Third Party Claim. If the third party claimant fails to submit the responsive information/documentation within 20 days, the CAO disallows the Third Party Claim and issues a Disallowed Notice to the third party claimant. The CAO issues a Notice of Enforced Third Party Claim to each claimant and third party claimant as soon as the CAO receives sufficient enforcement documentation, regardless of where any underlying Settlement Program Claim is in the review process. The claimant may, but is not required to, object to the Third Party Claim at this time. After the CAO sends an Eligibility Notice to the affected Settlement Program

Claimant against whom an Enforced Third Party Claim has been asserted (meaning that both the underlying claim and the Third Party Claim are payable), the CAO sends the claimant/claimant’s attorney and the third party claimant a Notice of Valid Third Party Claim, and the claimant has 20 days to notify the CAO of any objection to the Third Party Claim.

The CAO continues to process and pay Third Party Claims as reflected in Table 2 below.

7.	TOTAL	9,934	8,676	1,075	737	732	1,135²

The CAO sends a Notice of Third Party Claim Dispute to all parties involved in a disputed Valid Third Party Claim. If the claimant and third party claimant are unable to resolve their dispute by agreement and if the dispute is over a Third Party Claim for attorney’s fees or fees associated with work performed in connection with a Settlement Program Claim, the claimant and third party claimant may participate in the Court-approved Third Party Claims

² A Third Party Claim can be asserted against one or more Settlement Program claims. Additionally, if the Third Party Claim amount is in dispute, the CAO pays the claimant the undisputed portion of the Settlement Payment. For these reasons, this total may not be equal to the total of the two preceding columns.

Dispute Resolution Process and will receive a Request for Third Party Claim Dispute Resolution Form with the Notice of Third Party Claim Dispute. Table 3 provides additional information about participation in the Third Party Claims Dispute Resolution Process.

Table 3. Third Party Claims Dispute Resolution Process.				
Eligible Disputes	Request Forms Received for Eligible Disputes	Records Provided to Adjudicator	Disputes Withdrawn	Final Decisions³
120	94	65	60	31

If the dispute is over a Third Party Claim asserted by a state or federal agency, the claimant must resolve the dispute in accordance with the applicable agency’s procedures. If the dispute is over the amount of a Third Party Claim based on a final judgment of a state or federal court, the CAO must receive either a written agreement between the parties or a copy of a subsequent modifying court order to validate the claimant’s objection;⁴ otherwise, the CAO will issue payment in satisfaction of the judgment to the third party claimant.

To date, the CAO has removed 2,050 lien holds due to parties releasing their Third Party Claims or resolving disputes.

B. Claims Review.

The CAO completed its first claim reviews and issued its first outcome notices on July 15, 2012, and its first payments on July 31, 2012. There are many steps involved in reviewing a claim so that it is ready for a notice.

1. Identity Verification.

³ Several factors affect when a Dispute is ripe for the Adjudicator to issue a Final Decision, including whether the Adjudicator has requested additional documentation or granted a Telephonic Hearing.

⁴ For a claimant to object to a Third Party Claim based on a final judgment of a state or federal court, the CAO requires additional evidence beyond a mere objection to delay or deny payment of the court-ordered debt.

The Claimant Identity Verification review is the first step in the DWH claims review process. The Identity Verification team conducts searches based on the Taxpayer Identification Numbers (TIN) of claimants to confirm that both the claimant's name and TIN exist and correspond with each other. The Identity Verification team has initiated verifications for 207,606 claimants. Of those, the CAO has matched the TIN and claimant's name to public records databases and verified identity for 113,380 claimants from the initial query through LexisNexis and/or Dun & Bradstreet. The CAO has reviewed the remaining 94,226 claimants to determine whether claimant identity could be verified after searching for typographical errors and name changes or after reviewing official documentation from the Internal Revenue Service or Social Security Administration. Of the remaining 94,226 claimants, the CAO has verified the identity of 89,924.

If the CAO cannot verify a claimant's identity after review, but it appears that additional documentation may allow the CAO to verify the claimant's identity, the CAO issues a Verification Notice to the claimant requesting such documentation. Verification Notice types include an SSN Notice, an ITIN Notice, and an EIN Notice. Claimants may receive more than one type of Verification Notice depending on the claimant's Taxpayer Type or if the claimant requests a change in his Taxpayer Type or TIN.

The CAO reviews the documentation that claimants submit in response to the Verification Notice to determine whether it is sufficient to verify identity. The table below contains information on the number of claimants verified by the CAO during an initial Identity Verification review, in addition to the type and number of TIN Verification Notices issued when the CAO could not verify identity after the initial review.

When a claimant submits a Subsistence claim stating that he or she fished or hunted to sustain his or her basic personal and/or family’s dietary needs, the CAO verifies the identities of the claimed family members. To do so, the CAO attempts to match each claimed family member’s name and TIN to ensure that the family member exists and that the family member was not deceased prior to or at the time of the Spill or is not an overlapping dependent already identified. The CAO first attempts to match each family member’s name and TIN to public records databases through LexisNexis. To date, the CAO has sent 88,258 family members’ names and TINs, associated with 28,318 claims, to LexisNexis for verification. If a claimed family member’s identity cannot be verified through LexisNexis, the CAO reviews the claim file to determine

whether the claimed family member’s identity can be verified using information contained within the file. After each claimed family member’s identity has been verified or reviewed, the Subsistence team reviews the claim to determine eligibility for payment.

1.	Number of Claims	0	0	16,499	580
2.	Number of Family Members	0	0	70,150	2,284

2. Employer Verification Review (EVR).

The EVR process ensures that all employees of the same business are treated uniformly and that each business is placed in the proper Zone. The EVR team also performs the analysis necessary to assign the proper NAICS code to a business. The EVR team has completed the EVR analysis for 265,755 businesses and rental properties.

From March 1, 2015, through March 31, 2015, the team completed the EVR process for 3,688 businesses and rental properties, and 3,839 business and rental properties were identified for review. The CAO continues to perform the EVR for new businesses and rental properties on a first-in, first-out basis.

3. Exclusions.

The Exclusions review process ensures that claims and claimants excluded under the Settlement Agreement are appropriately denied. The Exclusions team guides the reviewers and the EVR team when questions arise during the Exclusion review. Table 7 below shows the number of Denial Notices issued to date for each Exclusion Reason and the team responsible for making such a determination.

4. Claimant Accounting Support Reviews.

A special team handles Claimant Accounting Support (CAS) reviews. CAS reimbursement is available under the Settlement Agreement for IEL, BEL, and Seafood claims. After a claim has been determined to be payable and the Compensation Amount has been calculated, the CAS team reviews accounting invoices and CAS Sworn Written Statements submitted by the claimant. Table 8 includes information on the number of CAS reviews the CAO has completed to date, whether the Accounting Support documentation was complete, and the dollar amounts reimbursed for each Claim Type.

5. Quality Assurance Review.

The Quality Assurance (QA) process addresses three fundamental needs of the Settlement Program: (a) it ensures that all claims reviewed within the system environment are reviewed in accordance with the provisions of the Settlement Agreement by targeting anomalous claim results through data metrics analysis; (b) it provides a mechanism to monitor reviewer performance and the tools necessary to efficiently and effectively provide feedback to reviewers; and (c) it identifies areas of review resulting in high discrepancy rates that require retraining or refined review procedures and data validations.

The CAO has implemented a reviewer follow-up process for all claim types reviewed within the system environment. The CAO provides daily follow-up to reviewers in the event a QA review of a particular claim produces a result different than that of the original review. The CAO also identifies specific reviewers who may require retraining and whether there are issues that warrant refresher training for all reviewers. Table 9 shows, by Claim Type, the number of claims identified for QA review, as well as the number of QA reviews which were completed, the number in progress, and the number awaiting review.

6. Claim Type Review Details.

Table 10 provides information, by Claim Type, on the number of claims filed, the number of claims that have been reviewed to Notice, the number of claims remaining to be reviewed to Notice, and the number of claims reviewed to either a Notice or “Later Notice” to date. Table 10 divides the claims reviewed to a “Later Notice” into separate sections: (1) claims receiving a Notice based on CAO review following the submission of additional materials by a claimant in response to an Incompleteness Notice, and (2) claims receiving a Notice following a Reconsideration review conducted by the CAO.

⁵ Table 9 only includes system generated data that arise from Quality Assurance reviews of initial claim reviews that are performed within the confines of the system environment. Separate from the initial claim review, there are numerous ancillary steps within the overall claim review process in which Quality Assurance activities and measures are performed outside of the system environment.

⁶ The Claims Administrator identified one IPV/FV claim as a potential duplicate in March and removed this claim from the report resulting in a decrease of one in the total number of IPV/FV claims with a First Notice.

C. Claim Payments.

1. Notices and Payments.

Tables 4 and 5 of the Public Report attached in Exhibit A provide detail on the notices and payments issued to date. As of March 31, 2015, the CAO has issued 90,724 Eligibility Notices to unique claims with Payment Offers totaling \$5.54 billion. As of that date, the CAO has made \$4.98 billion in payments on 84,097 claims.

2. Claimants in Bankruptcy.

The CAO reviews each claimant who indicates an open bankruptcy on the Registration Form (Debtor Claimant) to determine whether the claimant has submitted sufficient documentation from the applicable bankruptcy court to issue payment. If the CAO determines that the claimant is not a Debtor Claimant per the Procedure for Disposition of Claims by Claimants in Bankruptcy (Proc-445), or if the claimant submits sufficient documentation for the CAO to issue payment on all active claims, the CAO will remove the Bankruptcy Hold.

Table 11 provides information about the status of claimants identified as Debtor Claimants, including information on notices issued to those claimants.

D. Re-Reviews, Reconsiderations, and Appeals.

1. Re-Reviews and Outcomes.

The CAO implemented a Re-Review process beginning on January 18, 2013, that provides claimants with the opportunity to request a Re-Review of their claim within 30 days of the issuance of an Eligibility or Denial Notice if the claimant has additional documentation not previously submitted to support its claim. Following a Re-Review, claimants receive a Post Re-Review Notice, from which they may then request Reconsideration if they wish. To date, there have been 100,364 Eligibility or Denial Notices issued from which claimants can or could seek Re-Review. Of those, 2,314 are still within the 30-day window to seek Re-Review and Re-Review has not yet been requested, leaving 98,050 claims for which the window to seek Re-Review has passed. Of those, claimants have requested Re-Review of 10,604 claims. Thus, the rate of Re-Review from all final determinations is 10.8%. The rate of Re-Review from Eligibility Notices is 7.0%, while the rate of Re-Review from Denial Notices is 20.3%.

Table 12 summarizes the Re-Reviews the CAO has completed, the number of Post Re-Review Notices the CAO has issued, and whether the outcome of the Re-Review resulted in an award that was higher than (), lower than (), or the same as () the outcome previously issued. The table also includes information on whether an original Exclusion Denial was confirmed or overturned on Re-Review.

2. Reconsideration Reviews and Outcomes.

To date, there have been 186,867 Eligibility, Denial, or Incompleteness Denial Notices issued from which claimants can or could seek Reconsideration. Of those, 5,374 are still within the 30 day window to seek Reconsideration and Reconsideration has not yet been requested, leaving 181,493 claims for which the window to seek Reconsideration has passed. Of those, claimants have requested Reconsideration of 26,193 claims. Thus, the rate of Reconsideration from all final determinations is 14.4%. The rate of Reconsideration from Eligibility Notices is 5.1%, while the rate of Reconsideration from Denial and Incompleteness Denial Notices is 24.2%.

Table 13 summarizes the Reconsiderations the CAO has completed, the number of Post-Reconsideration Notices the CAO has issued, and whether the outcome of the Reconsideration

review resulted in an award that was higher than (), lower than (), or the same as () the outcome previously issued. The table also includes information on whether an original Exclusion Denial was confirmed or overturned on Reconsideration.

3. Appeals.

(a) BP Appeals.

To date, the CAO has issued 22,767 Eligibility Notices that meet or exceed the threshold amount rendering them eligible for appeal by BP. Of those, 184 Notices are still within the timeframe in which BP can file an appeal and BP has not yet done so, leaving 22,583 Notices that BP has either appealed or for which the deadline for BP to file an appeal has passed. Of those 22,583 Notices, BP has filed 6,057 appeals, a 26.8% appeal rate. Table 14 provides summary information on the status of BP appeals.

(b) Claimant Appeals.

Before a claimant may file an appeal, the claimant must request Reconsideration and receive a Post-Reconsideration Eligibility or Denial Notice. To date, the CAO has issued 9,379 Post-Reconsideration Eligibility and Denial Notices. Of those, 151 Notices are still within the timeframe in which the claimant can file an appeal and the claimant has not yet done so, leaving 9,228 Notices that the claimant has either appealed or for which the deadline for the claimant to file an appeal has passed. Of those 9,228 Notices, claimants have filed 1,873 appeals, a 20.3% appeal rate. Of the 1,873 claimant appeals, 1,274 are appeals of Post-Reconsideration Denial Notices, while 599 are appeals of Post-Reconsideration Eligibility Notices. Table 15 provides summary information on the status of Claimant Appeals.

Award Amount and the Award Amount within the original notice does not take into consideration the 5.0% increase in compensation that a claimant who prevails upon appeal receives.

(d) Incompleteness Appeals.

The Appeal for Insufficient Documentation (Incompleteness Appeal) allows Economic Class Members to have their claims reviewed by a separate Documentation Reviewer when the CAO denies their claims because of insufficient documentation. The Documentation Reviewer reviews the claimant's documentation to determine whether the Program correctly denied the claim.

Before sending the claim to the Documentation Reviewer, the CAO reviews the appeal request along with any newly submitted documents. If the claimant has submitted the requested documentation and cured the incompleteness, the CAO issues the appropriate Notice. If the

claimant still has not submitted the requested documentation, the CAO sends the claim to the Documentation Reviewer for review.

Before a claimant may file an appeal of an Incompleteness Denial, the claimant must request Reconsideration and receive a Post-Reconsideration Incompleteness Denial Notice. To date, the CAO has issued 6,359 Post-Reconsideration Incompleteness Denial Notices. Of those, 234 Notices are still within the timeframe in which the claimant can file an appeal, leaving 6,125 Notices for which the claimant’s appeal deadline has passed. Of the 6,125 Notices eligible for appeal, 2,991 (48.8%) appeal requests have been filed. Table 17 provides summary information on the status of Incompleteness Appeals.

E. Seafood Supplemental Distribution

The Settlement Agreement calls for BP to finance a \$2.3 billion Seafood Compensation Program Settlement Fund. The Settlement Agreement states that any balance available after the first distribution will be distributed to each claimant in proportion to the claimant’s gross compensation, unless the Court-Appointed Seafood Neutrals recommend a different formula. On

September 19, 2014, the Seafood Neutrals submitted to the Court their Recommendations for the Seafood Compensation Program Supplemental Distribution (which can be located on the Program's Website). On November 18, 2014, the Court approved the Seafood Supplemental Distribution formula established under the Court-Designated Neutrals' Recommendations for Seafood Compensation Program Supplemental Distribution. The Court approved a partial Supplemental Distribution targeted at \$500 million of the remaining undistributed portion of the aggregate \$2.3 billion fund for the Seafood Compensation Program. Payments will be disbursed in multiple phases.

The Seafood Neutrals also recommended that if a claimant or BP disagrees with a claimant's award in Round Two, the challenge must be limited to whether the formulas described in Sections II (A) and III (F) of the Recommendations were properly implemented with respect to the individual claim at issue. The Seafood Neutrals also recommended that the Claims Administrator have the discretion and authority to promulgate procedural and evidentiary rules as well as limit and define appellate rights. On November 18, 2014, the Court approved the Seafood Neutrals' Recommendations in full, and on December 29, 2014, the Claims Administrator promulgated Rules Governing the Seafood Supplemental Distribution Calculation Objection Process pursuant to the Court-approved Seafood Neutrals' recommendations.

As of March 31, 2015, the Settlement Program has issued 3,629 Seafood Supplemental Distribution Eligibility Notices for a total Supplemental Distribution Value of \$351,090,561. The Seafood Supplemental Distribution Notices are included in the report where appropriate. As of March 31, 2015, 1,713 of those Notices had been accepted by the relevant claimants; 26 of those 3,629 Notices had been objected to by the relevant claimants⁸; and 22 of the claimant objections

⁸ BP initially objected to 22 Seafood Supplemental Distribution Notices, but subsequently withdrew each of those objections.

were resolved. As of March 31, 2015, the Settlement Program issued payments of \$328,808,283 from the Supplemental Distribution to 2,944 claimants.

II. CLAIMANT OUTREACH EFFORTS

The CAO has continued its claimant outreach efforts since the previous Court Status Report as detailed below.

A. Law Firm Contacts.

The Law Firm Contact Team continued multiple outreach campaigns to help firms overcome documentation deficiencies and answer questions posed by reviewers. The Law Firm Contact Team continued daily outreach assignments requesting new Forms 4506 and/or 4506-T or notifying firms of deficient Forms 4506 and/or 4506-T. Firm Contacts participated in outreach campaigns to firms to address claims awaiting payment with incomplete Identity Verification documents and Seafood claimants with positive Supplemental Distribution award amounts who did not submit a Release or other required payment documents. The Law Firm Contact Team continues to assist firms by providing information concerning claim statuses and claim determinations.

B. Claimant Communications Center (CCC).

The CCC continued claimant outreach efforts across various claim types and review teams. The CCC continued specific outreach to Individual Economic Loss claimants regarding incomplete pay-period earnings records and to pro se claimants who submitted insufficient Forms 4506 and/or 4506-T. The CCC also conducted outreach to Subsistence claimants who provided incomplete authorization forms. The CCC agents continue to field calls from claimants with questions about their claim status and notices.

C. Claimant Assistance Centers (CACs).

The CACs complete outreach assignments as a secondary task to meeting with claimants and answering DWH-related questions. The CACs continued to participate in ongoing outreach efforts, including those to claimants with updated representation statuses, unfinished claim forms, and insufficient Forms 4506 and/or 4506-T in accordance with Policy 70 v.2. In addition, the CACs continued outreach calls to claimants who provided incomplete identity information and to claimants with incomplete claims. To date, the CACs have helped to complete over 178,000 calls for the Claimant Outreach Program.

D. Summary of Outreach Calls.

Table 18 summarizes some of the Claimant Outreach Program efforts as of March 31, 2015.

III. CLAIM FILING DEADLINE REMINDER NOTICE

Section 8.1.3 of the Settlement Agreement requires the Class Notice Administrator to disseminate a Court-approved reminder notice of the claims filing deadline to potential Class Members. The Class Notice Administrator began issuing notices in March, 2015 and will continue through April, 2015.

IV. CONCLUSION

The Claims Administrator offers this Report to ensure that the Court is informed of the status of the Program to date. If the Court would find additional information helpful, the Claims Administrator stands ready to provide it at the Court's convenience.

PATRICK A. JUNEAU
CLAIMS ADMINISTRATOR

April 1, 2015

Claims Administrator Patrick Juneau has announced that the Settlement Program began issuing payments on July 31, 2012, and has been issuing outcome Notices since July 15, 2012. The Program will issue Notices on a rolling basis as we complete reviews, and they will include Eligibility Notices, Incompleteness Notices, and Denial Notices. Each Notice will provide information explaining the outcome. We will post Notices on the secure DWH Portal for any law firm or unrepresented claimant who uses the DWH Portal. We will notify firms and unrepresented claimants by email at the end of each day if we have posted a Notice that day. Firms and unrepresented claimants may then log onto the DWH Portal to see a copy of the Notice(s). Law Firms or claimants who do not use the DWH Portal will receive Notices in the mail. Claimants who receive an Eligibility Notice and qualify for a payment will receive that payment after all appeal periods have passed, if applicable, and the claimant has submitted all necessary paperwork, including a fully executed Release and Covenant Not to Sue.

Legend:

1. Form Begun - Includes electronically filed registration or claim forms for the period of time between the moment a claimant or his attorney has initiated the submission of a form and moment they complete that filing by submitting the electronic signature. This definition also includes hard copy registration or claim forms where the DWH Intake Team is in the process of linking the scanned images and has not yet completed the data entry on that form.
2. Form Submitted - Includes electronically filed registration or claim forms after the claimant or his attorney completes the electronic signature and clicks the submit button. This definition also includes hard copy registration or claim forms where the DWH Intake Team has completed both the linking of scanned images and the data entry on that form.
3. Unique Claimants with Form Submitted - Counts the unique number of claimants with at least one Claim Form Submitted for each Claim Type. Because claimants may file claims for more than one Claim Type, the sum of all Claim Types will not equal the count of total unique claimants.
4. Filings by Claimant Assistance Center- The following Claimant Assistance Centers in Table 3 and Chart 3 are closed: Bayou La Batre, AL, Gulf Shores, AL, Apalachicola, FL, Ft. Walton Beach, FL, Naples, FL, Grand Isle, LA, Gretna/Harvey, LA, Houma, LA, New Orleans East, LA, Bay St. Louis, MS, Bridge City, TX.
5. Notices Issued - The Seafood Compensation Program row (row 1) of Table 4 includes Seafood Supplemental Distribution Claims. The count of Notices Issued in Table 4 counts each unique claim issued a Notice only once. For claims issued multiple Notices, this report uses the following hierarchy when counting the claim: (1) Eligibility Notice if the claim has been paid; (2) Most recent active Notice if the claim has not been paid; (3) If the claim has been closed it will not be counted as an Eligibility Notice unless the claim has been paid. The count of Notices Issued in Chart 5, counts all Notices Issued and reports claims with multiple Notices once for each Notice issued. Because of this, the totals reported in Table 4 do not match the totals reported in Chart 5.
6. Payment Information - The timing of payment can be affected by a number of factors. Even after the DHECC receives a Release, delay in receipt of a W-9, or in receipt of the Attorney Fee Acknowledgment Form can delay payment. In addition, any alterations or omissions on the Release Form, or an assertion of a third-party lien against an award amount, can delay payment. As a result, this report will show a higher number of Accepted Offers than Amounts Paid. The Seafood Compensation Program row (row 1) of Table 5 includes Seafood Supplemental Distribution Claims.
7. Appeals Received - Excludes Appeals closed pursuant to 4/24/2013 Court Order.
8. Note: The Claims Administrator continually monitors the status of all claim filings. Through this process, the Claims Administrator may find duplicate claims from the same claimant. In such cases, the Claims Administrator will close the duplicate claim and only process the remaining valid claim. This report excludes duplicate claims from all counts of claims filed.
9. Note: The Seafood Supplemental Distribution Notices are included in the Exhibit A as appropriate.
10. Note: The final deadline for filing all claims other than those that fall into the Seafood Compensation Program is 6/8/15.
