C. Signature

By my signature below, I certify and declare pursuant to 28 U.S.C. Section 1746 that the information provided in this Certification of Marital Status is true and accurate to the best of my knowledge.

An attorney may sign his or her name on behalf of the claimant if the claimant has authorized the attorney in a Power of Attorney Agreement, a retainer agreement, or other document signed by the claimant in which the claimant has authorized the attorney or law firm to pursue claims for the claimant arising out of the Deepwater Horizon Incident. If the attorney chooses this option, the attorney must either submit, or have already submitted, a PDF of the signed authorization from the claimant before the signature can be accepted. If the attorney does not have a signed authorization from the claimant, the attorney may use the Power of Attorney Form created by the Claims Administrator for this purpose (POA-1), which is available using the Forms section of the website, www.deepwaterhorizonsettlements.com. **We do not require signatures from both the attorney and the claimant.**

As the authorized attorney, by signing below, you are certifying that you have the required written authorization from the claimant to pursue claims for the claimant arising out of the Deepwater Horizon Incident on their behalf and have submitted this authorization.
