1. Instructions for Submitting a Wetlands Real Property Claim

1.	<p>To make a Wetlands Real Property Claim under the Deepwater Horizon Economic and Property Damages Settlement Agreement (the "Settlement") for damages arising from the Deepwater Horizon Incident on April 20, 2010, (the "Spill"), you must complete and submit this Claim Form and all documentation required by the Settlement ("Supporting Documentation") to the Claims Administrator on or before June 8, 2015.</p> <p>The final deadline to file claims with the Settlement Program was June 8, 2015. Accordingly, the Claims Administrator is no longer accepting new claim submissions or Parcel Eligibility Request Forms at this time.</p> <p>The Wetlands Real Property Claim is for individuals or businesses that, at any time between April 20, 2010, to April 18, 2012, owned a Parcel located in the Wetlands Real Property Claim Zone. Such Parcel owners can also use this Claim Form to make claims for the cost to repair or replace their Real or Personal Property located on their wetlands property that was physically damaged as a result of certain Spill response cleanup operations or the Spill itself, with the exception of any physical damage caused by the intrusion of oil, dispersant, or other substances onto their wetlands Parcel.</p>				
2.	Do not use this Claim Form if you seek payment only for bodily injury arising from the Deepwater Horizon Incident. To get more information about the Medical Benefits Settlement and to determine whether you are eligible for benefits under that settlement, visit www.deepwaterhorizonsettlements.com or call 1-877-545-5111. For TTY assistance, call 1-800-877-8973.				
3.	If you have access to a computer with an internet connection, it will be far easier for you to fill out and submit your Claim Form online, rather than on this paper Claim Form. The online claim process will guide you through the specific questions you need to answer, and will instruct you about the specific Supporting Documentation you must submit, based on the answers you enter as you go along. Go to www.deepwaterhorizonsettlements.com to submit a claim online.				
4.	If you choose to fill out a paper Claim Form, be sure to read the entire Claim Form and fill out every section needed to assert your claim, and also read Section 4 of this Instructions Booklet to find out what Supporting Documentation you have to submit along with your claim. If you need more space to answer any questions, put the answer on a separate page and attach it to your Claim Form.				
5.	As you complete your Claim Form and review the list of required Supporting Documentation, you may come across words that are unfamiliar to you. Section 2 of this Instructions Booklet defines many terms that are found in the Claim Form or in the Supporting Documentation descriptions. Consult these definitions if you need help understanding the meaning of a particular term.				
6.	Any term used in the Claim Form or in this Instructions Booklet that is defined in the Settlement will have the meaning set forth in the Settlement. If there is any conflict between the terms in the Settlement and the terms in the Claim Form or in this Instructions Booklet, the meaning set forth in the Settlement controls.				
7.	<p>Submit your Claim Form and all required Supporting Documentation or by sending it to the Claims Administrator in one of these ways:</p> <table style="width: 100%; border: none;"> <tr> <td style="width: 50%; border: none;"> <p style="text-align: center;">Regular Mail: Deepwater Horizon Economic Claims Center P.O. 8.	Your claim will be reviewed more quickly if you submit all of your Supporting Documentation along with your Claim Form. If you need to submit any Supporting Documentation separately, put your name and Tax Identification Number on a cover sheet or on the first page of what you submit, so the Claims Administrator can properly place the documents in your file.

3. Detailed Instructions for Answering Wetlands Real Property Claim Form Questions

Instructions for Determining Parcel Eligibility. Before you complete a Wetlands Real Property Claim Form, you must find out if your Parcel is Eligible. An Eligible Parcel is one that is within the Wetlands Real Property Claim Zone. To find out if your Parcel is Eligible, call 1-800-353-1262 for help determining if the Parcel you owned is included in the Wetlands Real Property Claim Zone. If you have internet access, you may also go to www.deepwaterhorizonsettlements.com to determine whether your Parcel is located within the Wetlands Real Property Claim Zone. **The final deadline to file claims with the Settlement Program was June 8, 2015. Accordingly, the Claims Administrator is no longer accepting new claim submissions or Parcel Eligibility Request Forms at this time.**

If your Parcel is not included in the Wetlands Real Property Claim Zone, it is preliminarily not considered Eligible and you cannot make a Wetlands Real Property Claim for that Parcel.

If you disagree with the Wetlands Real Property Claim Zone Map and think your Parcel should be included as Eligible on the Map, you may request a review of the eligibility designation of your Parcel. The Claims Administrator will review your Parcel Eligibility Request Form and determine whether your Parcel is within, or should be added to, the Wetlands Real Property Claim Zone. If your Parcel is added to the Wetlands Real Property Claim Zone, you may then submit a Wetlands Real Property Claim Form.

To request a review of your Parcel's eligibility designation, detach and fill out the two-page Wetlands Real Property Parcel Eligibility Request Form attached to the Wetlands Real Property Claim Form and submit it with the required documentation to support your request for a review of your Parcel's eligibility designation. Section 5 of this Instructions Booklet explains how to complete the Parcel Eligibility Request Form.
