

C. CLAIMANT AND FAMILY MEMBER INFORMATION

In the section below, you must state: (A) your name or the name of the family member who relied on your subsistence activities; (B) age at the time that your losses began; (C) gender; (D) Social Security Number; and (E) percent of your or your family member's total diet provided by your subsistence activities. The Claims Administrator will not pay consumption losses in excess of 45% of a claimant or a family member's diet. The Claims Administrator determined that 45% is the maximum reasonable percentage a claimant may claim to have come from subsistence activities. Example: If you could not harvest Seafood or Game beginning on 4/20/10, you were 50 years old on that date and 20% of the food you eat comes from your harvests, you would complete the table as seen in the example below.
