After you complete and sign your Registration Form, submit it to the Claims Administrator as directed in the Instructions Booklet that accompanies this Registration Form. If you submit your Registration Form by mail or delivery, do not separate this cover page from the Registration Form. If you have to take this Registration Form apart to photocopy or fax it, make sure you include this cover page as the first page when you submit it.

DEEPWATER HORIZON ECONOMIC AND PROPERTY SETTLEMENT REGISTRATION FORM

To make a claim under the Deepwater Horizon Economic and Property Damages Settlement Agreement (the "Settlement") for damages arising from the Deepwater Horizon Incident on April 20, 2010 (the "Spill"), you must complete and submit a Registration Form, Claim Form(s) and all documentation required by the Settlement ("Supporting Documentation") to the Claims Administrator on or before June 8, 2015.

The deadline to file Seafood Compensation Program claims expired on January 22, 2013.

You must submit this Registration Form before, or along with, any Claim Form. Do not submit a Claim Form unless you have already completed and submitted this Registration Form, or are submitting the Claim Form along with this Registration Form. If you are filing more than one Claim Form, you only need to submit this Registration Form once.

When completing this Registration Form, refer to the accompanying Instructions Booklet called "Instructions for Completing the Registration Form," which contains detailed instructions for completing and submitting the Registration Form, helpful definitions, and the list of Supporting Documentation you must submit with this Registration Form.

If you have access to a computer with an internet connection, it will be far easier for you to fill out and submit your Registration Form online, rather than on this paper Registration Form. The online claim process will guide you through only the specific questions you need to answer, and will instruct you about the specific Supporting Documentation you must submit, based on the answers you enter as you go along. Go to www.deepwaterhorizonsettlements.com to submit your Registration Form online.

If you do not have access to the internet, you can visit a Claimant Assistance Center for assistance with submitting a claim in person. Section 5 of the Registration Form Instructions Booklet lists all the Claimant Assistance Centers.

Recreational Fishermen and Recreational Hunters – those who fish or hunt for pleasure or sport – are not eligible to make Subsistence Claims, regardless of whether they consume, barter, or trade their catch. The Subsistence Claimant definition does include claimants who hold a Recreational Fishing license, provided such claimants satisfy the other elements of the Subsistence Claimant definition and provide the required documentation.

K.	VoO Charter Payment (PINK FORM)	<input type="checkbox"/>	For individuals and businesses who registered to participate in the Vessels of Opportunity ("VoO") program and executed a VoO Master Vessel Charter Agreement ("MVCA") with BP, Lawson, USMS, USES, DRC, or any other BP subcontractor ("Charterer"), and completed the initial VoO training program.
