C. EXPLANATION OF REDUCTION IN EARNINGS

The reduction in my earnings from Festival Sales from May through December 2010 compared to May through December 2009 was due to or resulted from the Deepwater Horizon Spill because:

D. ALTERNATIVE REVENUE AND EXPENSE INFORMATION

I have marked below whether I submitted independent documents demonstrating revenues and/or expenses associated with my Festival Sales as required in the "Proof of Sales" documentation requirement. If I did not submit independent documents verifying this, I have provided estimates and explanations below.

- I submitted other documents demonstrating revenues associated with my Festival Sales as required in the "Proof of Sales" documentation requirement.
- I am not able to provide independent documents demonstrating the revenues associated with my Festival Sales, so I have estimated those revenues in each of Zone A, B or C for both May through December 2009 and May through December 2010:

Time Period	Zone A Revenues	Zone B Revenues	Zone C Revenues
May – December 2009	\$	\$	\$
May – December 2010	\$	\$	\$

I reached these estimates by multiplying the number of items I sold or services I provided by the price I charged for the good or service, as explained below:

- I submitted other documents demonstrating expenses associated with my Festival Sales as required in the "Proof of Sales" documentation requirement.
- I am not able to provide independent documents demonstrating the expenses associated with my Festival Sales, so I have provided the following descriptions and estimates.
